JOINT STATUS REPORT

And Order

Since the last Joint Status Report, filed on May 6, 2019, the parties have found a
way through the technological encryption issues slowing production of the requested
Serious Incident Reports. Defendants have represented that a working universe of
documents has been identified. The parties continue to work jointly to develop a method,

1 such as a key word search, for narrowing the number of documents that will have to be
2 reviewed individually.

3 Once these issues are addressed, the parties will begin to negotiate a plan for release
4 of the requested litigation-related documents.

5 The parties propose a joint status report to be filed on or before June 17, 2019.

7 Dated: June 3, 2019.

8 Respectfully submitted,
